

## 2023-2024 North Hardin Marching Band Alternative Payment Form

The North Hardin Band requests reimbursement from students each year to help pay the expenses involved in running a national level competitive marching band. Each year, the success of the marching band and the ability of the band to travel is dependent on the timely receipt of student reimbursement; however, it is the philosophy of the band program, that students not be excluded due to the fact that their families may not be able to afford these reimbursement using the normal payment schedule. We hope that families who choose to set up an alternate payment plan are taking this obligation very seriously and are only setting up an alternative plan because there is no other option. Please fill out the bottom of this form and list what type of plan your family can afford. Return this form to one of three people, (1) the head band director, (2) the band booster treasurer, (3) the band booster president. This form is not an exemption of the reimbursement, but rather, an alternative process to paying the balance. Note: Any student with a balance from the previous season must either be on a payment plan or must pay all outstanding debt in full.
